## Identifying curriculum expectations and learning goals

| Understanding / skills | Achievement standard | Content | Learning Goals |
|------------------------|----------------------|---------|----------------|
|                        |                      |         |                |
|                        |                      |         |                |
|                        |                      |         |                |
|                        |                      |         |                |
|                        |                      |         |                |
|                        |                      |         |                |
|                        |                      |         |                |
|                        |                      |         |                |
|                        |                      |         |                |
|                        |                      |         |                |
